

Highlands Museum and Discovery Center Holidays at the Highlands 2018

To: Gingerbread House Participants
From: Kathy Hill, Holiday Project Chairman
Date: October 10, 2018

The Highlands Museum and Discovery Center is busy planning its 2018 holiday extravaganza for Ashland and the surrounding community. We are continuing our Gingerbread House Display keeping the theme “Holidays at the Highlands”.

Gingerbread houses may be submitted by local students and community members. We would like to invite each of you or your group to showcase your talents by creating a gingerbread house for our 2018 display. Create a gingerbread house, give it a name and join us this holiday season as we present your talents to our community.

Gingerbread houses will need to be turned in at the museum on Thursday, November 29 between 10 am and 6 pm. Houses will be on display from December 1 until January 2, 2019 during regular museum hours and at these special events:

- Holiday Open House—December 1, 2018
- Friends of the Highlands Christmas Tour of Homes—December 1 and 2

All individuals who submit entries are invited to be our guests at the Open House on December 1 from 12:00 noon til 2:00 pm. See the attachment for guidelines and registration.

For additional information, contact Kathy Hill at 606-325-4038, or 859-327-6487 or e-mail me at kathrynhill@windstream.net. If you plan to participate, let me know by e-mail as soon as possible so that I can plan adequate display space. We are looking forward to your entry and another successful “Holidays at the Highlands”

We, at the Highlands Museum and Discovery Center, sincerely hope that you will join us in this project for the 2018 holiday season.
